

Top effort, that

ARMIDALE para-cyclist Andrew Devenish-Mearns, with captains Dave Rubie and Philip Thomas, has ended this year's Para-Cycling Series on top, taking out the inaugural National Para-Cycling Series for B (Blind) Classification.

"Given we were debating whether we would even enter in February, it's a fantastic result," Andrew said.

The team had initially hoped to make the final round and National Championships in Echuca on 9 and 10 May, but both time and money got in the way.

The team is looking for individual donations, community group support and sponsors. More information is at tandemarmidale.com
